The Envelope

Something selected for you — placed quietly on your table. Open only after the first bite.

The food brings people in. The interaction makes them return. Every order arrives with an envelope — chosen by your server for who is at the table. A small act of attention, never random.

The Quiet Table

For the guest sitting alone — a thought to keep you company.

SOLO

The Chemistry

For couples — subtle, curious, never cheesy.

FOR TWO

The Debate

For friend groups — a hot take worth arguing over.

GROUPS

The Office Confession

For the workday lunch — a little honesty with the meal.

WORK

The Theory Card

A psychology prompt with a small reward inside.

REWARD

The Experiment

A social challenge. Phones away. See what happens.
